

IRELL & MANELLA
GRADUATE SCHOOL OF
BIOLOGICAL SCIENCES

2024 OPEN HOUSE SESSIONS

Please join us for virtual Open House hours with admission committee members, faculty, and graduate student representatives.

Topics will include how to apply to our PhD program in biological sciences, tips on completing application forms, and more.

We will also be answering questions about the application process and graduate student life.

As a world-leading bioscience learning environment associated with Beckman Research Institute of City of Hope, Arthur Riggs Diabetes and Metabolism Research Institute, and City of Hope's comprehensive cancer center, students will have competitive and challenging learning experiences from experts.

Please be sure to register in advance for any of the open house sessions listed here. After registering, you will receive a confirmation email containing information about joining the meeting.
